

2015 Winter/Spring Season at Jim's Pro-shop

Shortsville, NY

Jim continues to offer some of the best throwing conditions on the atlatl world circuit. Little crowd, plenty of overhead space, well lit and the only issue with the weather might be getting to Jim's, but not this year. We were warm and comfortable indoors while the weather outside during our scheduled shoots was as follows: Jan 3 (20's and freezing rain); Jan 17 (single digits & sunny); Jan 31 (single digits & 6" snow cover); Mar 7 (20's, 2' snow cover); Apr 4 (near 40 and overcast just prior to freezing rain and 6" wet snowfall). The results of our gatherings were as follows:
